workhouse where you may catch a glimpse of its ghostly warden whose rattling keys and footsteps can still be heard from the upper rooms.

Take a frightening journey to one of the most haunted landmarks in the town, wander its darkened cells where spirits remain locked in the bowels of the building.

You will never view Llantrisant the same way again!

The walks last just over an hour and your guide will take you to eight spooky sites throughout the town to explain the mysteries and paranormal phenomenon that has been witnessed there.
